Dear Community Partner,

At Gene Tomas High School, the arts are more than performances, competitions, and halftime shows — they are a place where students discover who they are becoming.

The Gene Tomas Gator Band programs provide students with an outlet for creativity, connection, discipline, and self-expression during some of the most formative years of their lives. These programs teach students how to lead, collaborate, persevere through challenges, and pursue excellence not only as performers, but as people. The lessons learned within these programs extend far beyond the performance floor and football field.

Our 2026 production theme, *Out of the Woodwork*, reflects the very heart of what the arts do for students — helping talent emerge into full expression.

As our program continues to grow, sponsorships and community partnerships help provide opportunities that directly impact the student experience, including:

- Travel and competition experiences
- Student meals during rehearsals and events
- Uniforms, costumes, props, and equipment
- Music, clinicians, and instructional support
- Leadership development opportunities
- Program enrichment experiences for all student performers

In addition to monetary sponsorships, the Gene Tomas Band & Guard Boosters gratefully accepts approved in-kind donations and sponsored services. Community partners may support students through donated meals, desserts, delivery sponsorships, supplies, printing services, reduced-fee services, or other contributions that directly benefit the student experience throughout the season.

As a 501c3, qualifying in-kind donations may be tax-deductible to the extent allowed by law. Sponsors will receive an acknowledgment letter documenting the estimated fair market value of donated goods, services, or monetary donation for tax-record purposes. Donors are encouraged to consult with their tax professional regarding eligibility and reporting requirements.

Thank you for considering a partnership with the 2026–2027 Gene Tomas High School Gator Band.

Sincerely,

Gene Tomas Band & Guard Booster Club

Jen Russell, President
Stephanie Giarratano, Band Sponsorship Chair
Subrena Weeks, Food and Refreshments Chair
